

REMARKS

The claims as presented reflect the Examiner's amendment included with the Notice of Allowance of 22 March 2007. Applicants have amended claim 33 to be in independent form, rather than the dependent form shown in the Examiner's amendment. Lines in a "Z" pattern have been added in claim 21 to indicate blank space. No text is missing.

Claims 36 and 37 have been added. New claims 36 and 37 include no new matter. Support for claims 36 and 37 is found, for example, in paragraphs [0006] - [0024] and [0124] and compound 86 of Table 3 of the specification as filed. The compound recited in the added claims is also within the compounds listed in allowable claim 21.

Applicants respectfully request entry of this Amendment. Applicants believe that all pending claims 1, 7-22, 33-34, and 36-37 are in condition for allowance and respectfully request that a Notice of Allowance be promptly issued.
